## FOR IMMEDIATE RELEASE

### Lincoln Middle School Students Recognized for Community Service

Karina Martinez and Marissa Medeiros, 8<sup>th</sup> graders at Lincoln Middle School have been honored for their exemplary volunteer service with a President's Volunteer Service Award, according to Bruce J. Macksoud, Principal.

Sponsored by Prudential Financial in partnership with the National Association of Secondary School Principals (NASSP), the award recognizes Americans of all ages who have volunteered significant amounts of their time to serve their communities and their country, and was presented by the Prudential Spirit of Community Awards program on behalf of the President's Council on Service and Civic Participation.

Karina and Marissa have been instrumental in starting a recycling club at Lincoln Middle School, and have worked hard to ensure that everyone within the school recycles paper, cans and bottles. "I am so proud of the accomplishments of these two fine young ladies, as they have shown leadership, foresight and courage in getting everyone at LMS to be more aware of our environment, and what we can do as a school community to help keep it clean for future generations", said Mr. Macksoud.

"The recipients of these awards vividly demonstrate that young people across America are making remarkable contributions to the health and vitality of their communities", said John R. Strangfeld, Chairman and CEO of Prudential Financial. "They truly deserve all of the praise and encouragement we can give them."
