***Optional:** Some students may find it easier to use the Avery 6-pocket organizer (Item # 47696 - pictured top right) for all classes instead of separate colored folders for each subject. **Note: Not organizationally functional for all students.**

***Optional:** Some students find it easier to manage if they carry all folders and notebooks in one binder. This makes locker breaks less hectic and students don't forget things in their lockers! Consider 3" Case-It D-146 (pictured bottom right). **Note: Not organizationally functional for all students.**

***Note:** Additional materials may be requested throughout the year due to normal wear-and-tear, loss of materials as students travel from class-to-class, or as class activities may warrant different materials.
