

Information Regarding Lunch and Breakfast for Lincoln School Department

- ❖ If you have any questions about lunch pick-up or delivery, please contact Danielle Landry at danielle.landry@compass-usa.com

Chartwells will be on site at Lincoln High School and Northern Elementary School between 12:00 PM and 1:00 PM Monday through Friday.

Lunch Distribution at Lincoln High School: Lunches will be distributed in the back of the high school across from the football field. School administrators, staff and Chartwells workers will be distributing the meals curbside. Please drive around the back of the building. Wait in line and once you have the lunches, please exit out onto Route 116.

Lunch Distribution at Northern Elementary School: Please DO NOT drive into the semi-circle driveway in front of the school. Lunches will be distributed on the side of the building where the buses normally lineup. Please drive up, wait in line and lunches will be distributed curbside. School administrators, staff and Chartwells workers will be there to assist with directions and distribute lunches.

For Parents/Guardians unable to pick up lunches at the schools: If you indicated on the survey that you were unable to pick up a lunch, then we will be dropping off lunches to your address on file between the hours of 10:00 AM and 1:00 PM. Important Note: Lunch Delivery is **ONLY** for those parents/guardians who have no other means of transportation to pick up food for their children.
