WHY

Temporary bonuses that provide an additional 18% reimbursement from the state begin to expire at the end of 2023. By taking advantage of the bonuses, this project would only cost the Town of Lincoln \$11.75M of the \$25M bond. The current LMS bond (\$30M) will soon be paid off. Its line item will remain in the budget, therefore if this bond is passed there will be no increase in taxes to the Lincoln residents.
