Fire, Evacuation & Lockdown Drills

It shall be the duty of the principal or other person in charge of each Lincoln Public School to instruct and train the pupils by means of drills, so that they may appropriately comply with a school site's emergency protocols and the school's and District's Safety Plans.

The Lincoln Public Schools will complete Fire, Evacuation and Lockdown Drills and take other action as required by the School's and District's Safety Plans and in accordance with applicable state law, rule and regulation including §16-21-4, §16-21-5.

All emergency-drill information shall be appropriately reported to the Rhode Island Department of Education, .
